**STATEMENT OF FACTS IN SUPPORT OF FILING ON BEHALF OF
NONSIGNING INVENTORS PURSUANT TO 37 C.F.R. § 1.47(a)**

Dear Sir:

I, Ivette Reyes, do hereby declare as follows:

1. I am a Legal Assistant for MeadWestvaco Corporation, assignee of the subject application. I have been directly involved with the preparation and transmittal of correspondence discussed hereinbelow, related to the subject application.
2. This Statement of Facts is made in support of Applicants' Petition Under 37 C.F.R. § 1.47(a), and to set forth the facts relied upon to establish: (i) the refusal of inventor James Philippe to execute an oath or declaration in connection with the above-referenced application, and (ii) the diligent efforts made to secure the execution of a declaration or oath by the non-signing inventor.
3. Unless otherwise noted, this Statement of Facts is based on first-hand knowledge of the undersigned.

4. James Philippe is one of three named inventors in the above-referenced application, which claims priority to U.S. Provisional Application No. 60/550,654 filed March 5, 2004 and PCT application Number PCT/US05/06871, filed March 4, 2005. Since the time of invention Mr. Philippe has ceased to be employed by MeadWestvaco Corporation, the Assignee of this application (See EXHIBIT 1- executed assignments of two remaining inventors).

5. On January 12, 2007, I personally prepared and sent via Certified Mail No. 7003 2260 0002 7830 5012 a Declaration form, a Power of Attorney form, and an Assignment to Mr. Philippe for review and execution (See EXHIBIT 2). In the mailing, it was requested that Mr. Philippe execute and return the papers, including the Declaration, to Assignee. It is unclear whether Mr. Philippe received this mailing, as a return receipt was never received.

6. On April 12, I again personally prepared and sent, via Express Mail No. ED 579339220 US, a Declaration, a Power of Attorney form, and an Assignment, as well as the application as filed, to Mr. Philippe for review and execution (See EXHIBIT 3). In the mailing, it was requested that Mr. Philippe execute and return the papers, including the Declaration, to Assignee. In this instance, Mr. Philippe received the package as evidenced by a USPS tracking feature and by his response to Assignee by e-mail on April 25, 2007 (See EXHIBIT 4, discussed below).

7. On April 25, 2007, Mr. Philippe responded by e-mail to me regarding the above-mentioned April 12, 2007 letter. In his e-mail, Mr. Philippe indicated that he would not sign the documents provided to him without discussing further financial compensation (See EXHIBIT 4).

8. On April 30, 2007, Alexandra Urban, attorney for MeadWestvaco Corporation, sent a letter to Mr. Philippe by e-mail, which I personally mailed by certified mail with return receipt request. In this letter, Ms. Urban again urged Mr. Philippe to sign the relevant documents, and requested a response by May 10, 2007. The letter was signed for by Leslie Philippe, as evidenced by the signed return receipt appended to the exhibit (See EXHIBIT 5).

9. To date, Mr. Philippe has not responded to the April 30, 2007 letter.

10. Pursuant to Rule 1.47(a), the last known addresses of Mr. Philippe

The undersigned further declares that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that the statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under § 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing therefrom.
